## Competition Brief

### Competition Title

Plumbing and Heating

### Competition Overview

A Plumber is an essential member of the construction team. They specialise in installation and maintenance of systems used for hot and cold water, heating and sanitation.

In this competition, competitors will be given an installation task, with which they must demonstrate their ability to interpret the drawing, work accurately and within the timescales given.

Live competition heats will be held at various venues across Wales.

### Entry Criteria

The competition is for those training for a career in the Construction Industry and studying towards but not yet achieved a Level 3 qualification or apprenticeship.

Please ensure that your entrants have the skills and competences to complete the task.

### Entry capacity restrictions by organisation

Maximum of up to 2 per location plus maximum of 2 reserves can be registered in case of absence.

This is the maximum number of entries permitted by an organisation for this competition.

This is determined by 'location' and 'organisation'. 'Organisation' refers to the competitors' training provider/employer. 'Location' refers to a site where the competitor studies / is employed. For further guidance on these capacities, click [here](#)

### Task Duration

4 Hours

### Brief

Competitors will be given a drawing, from which they are to carry out an installation task; thereby showing they are able to interpret the drawing, accurately mark out, fabricate and install pipe work,

whilst working accurately and to a strict time-scale.

Competitors will be assessed on the following criteria:

- Working safely
- Interpreting drawings and pipe details
- Measuring, fitting and installation requirements
- Measuring, marking out and cutting copper & plastic pipe work
- Bend and joint quality
- Plumb & level
- Testing pipe work for soundness
- Efficient use of materials

## **Infrastructure List**

Competitors are expected to bring their own tools. Benches will be available at the venue.
